## SELECTMEN'S REPORT

We will commence our report with a review of those items mentioned in last year's report, still not completed.

Last year we asked for an increase for Senior Citizen programs in hope of obtaining matching Federal funds to expand the program to two or more meals weekly. First, we found we would be required to survey our elderly people to determine their asset and income levels — Federal funds could only be used within poverty limits. We never decided if we wanted federal funds enough to ask our elderly people these questions. An investigation later found that towns operating similar programs hadn't checked eligibility and N.H. faces a suit for illegal expenditure of federal funds. Meanwhile our weekly program continues to offer a fine home-cooked meal prepared and served by Rev. Halvorson and his dedicated volunteers supported by funds from the Town and Groveton Foundation.

The Groveton Papers Incinerator continues to improve its operation and will soon take our combustible trash on a regular basis. We will have to separate glass, large metal objects, discarded furniture, etc., for disposal in landfill. The dump should close before the July 1st deadline.

Warrant Art. 9 — 1974 provided for a study to update all town sewerage and treatment data. Work commenced last month and will give a basis for asking federal and state assistance to improve our system. In January we had to increase sewer user fees. N. H. regulations require fees to cover costs of operation and we had an approximate \$2,000 deficit in both 1974 and 1975.

New recreational facilities were further delayed when portions of the detailed plans were ruled ineligible. The 1974 appropriation and matching funds are still available and we hope the Recreation Commission will have new plans for Town Meeting.

The Selectmen and Town Manager are still working closely with the Housing Authority, trying to make our low-income housing a reality. With the large number of bidders traveling the Town it would seem that one of them could meet with Federal approval.

Last year's application for Community Development funds to separate storm water from the sewer around the High School was turned down. North Country Council is helping with a more detailed application and perhaps this year we will be accepted. This program would improve operation of our treatment plant and provide more capacity in case our population increases further.

Construction for the new Groveton Reservoir started in July, providing work for nearly 30 unemployed people until mid-September and about half as many until December 1. The Robert Forbes house was removed to provide a roadway entrance and a road was constructed to the new location. Fontie Thorpe funds were used to purchase a hundred-foot wide strip of land from the chlorinator to the old reservoir, that land surrounding the old reservoir which drains toward it and sufficient land to construct and protect the new reservoir. Total land acquired plus right of way total nearly 10 acres. We have finished brushing the area, excavating the new pond, con-

structing the overflow and placing the service pipes for the reservoir. When the ground dries out this summer we will finish compacting the slopes and bottom of the hole, line the upper part with stone, lay the pipe necessary for inter-connection across the new easement as provided in Warrant Article 6. If funds permit, we will fence the two ponds and then wait for a period with enough surplus water to flush the new pond well before putting it into service.

During early 1975 we provided some assistance to a person needing three times weekly dialysis treatments. We asked one of our local legislators, Roger Hunt, to introduce a bill making the costs of this treatment state responsibility and he was successful on the third try.

Despite the fact that our new home building permits were down from 16 in 1974 to 3 in 1975, the state informs us that our population has increased from 2,551 in 1974 to 2,642 in 1975.

The corner by the drug store has been dressed-up and during the summer flower pots were placed along State and Main streets. Hopefully, some of the property owners along the traveled route through Groveton will spruce up their property during the Bicentennial year.

After the Sewage Treatment Facilities were completed in 1970, that portion of allowable costs reimbursed by the U.S. Government was increased from 50% to 55%. Our original reimbursements were made at the 50% figure so the Selectmen and Town Manager applied for the difference, called the "Bonus Grant". Also, during the period since 1970 efforts were continually made to qualify as much of the construction for reimbursement. It would appear that the persistent efforts to reach a settlement are going to be rewarded because early in January forms were sent to us to apply for a final settlement amounting to \$115,000. We have checked with the Bondholders and with various authorities to see if there is anything we MUST do with these funds, and they assure us that as long as all the bills for the project are paid it is our money. At time of printing the Town Report we are still waiting for the check.

We have included an article this year calling for the appropriation of \$12,500 in each of two years for the State of N.H. professional appraisers to revalue the Town. It has been evident for some time that three parttime selectmen, with no special talent for appraising property, are unable to do the job properly, in establishing completely fair property values. We know that values are often kept lower than they should be on specific pieces of property—no selectman wants to feel responsible for an elderly or disadvantaged person giving up their home because of taxes. Should Town Meeting decide against this article, the Board has decided to ask for the committee approach called for in the following article. This would enable us to hire 10 to 15 local people, familiar with local values, to assist the Selectmen in revaluing the town.

We feel that the "State of the Town" is excellent. Where we have problems, solutions are available if we work together. Even with inequities, our taxes are generally reasonable and our level of services is good.

## AUDITOR'S REPORT

This is to certify that we have examined the accounts of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Water Collector, Library Trustees, Trustees of the Trust Funds, Municipal Court, Youth Center Commission, Senior Citizens Fund, Water Fund, Sewer Fund, and Chief of Police, and found them correct with proper vouchers.

LEO RICH

ROBERT PENNEY

## SUMMARY INVENTORY OF PROPERTY VALUATION — 1975

	Total Town	Precinct
Land, Improved and Unimproved	\$1,077,680.00	\$ 894,565.00

## GROVETON PUBLIC LIBRARY REPORT — 1975

In November of 1974, I was appointed as your new Librarian. I am very grateful to the Trustees for the confidence they showed in me.

During the year we have had two displays at the Library. Mrs. Elizabeth Daley displayed her "Egg Boutiquing". She used goose eggs to make some very attractive things, tea set, eggs with draws and doors in them, and small jewelry boxes.

Mrs. Fran Rich, Mrs. Nina Gonyer, and Mrs. Sharon Irving displayed the ceramics that they had made. They had a pitcher and bowl set, bean pot, jars, and a statue called the "First Kiss". Everyone enjoyed the displays that were shown.

This summer the reading program was continued again for six weeks. There were fifteen children who signed up for the program. On the sixth week we had two film strips from the State Library, refreshments were served and certificates were given out. The children selected their book from their age groups and then went into small groups of three or four to read to one of the volunteers, who helped them. The main purpose of the reading program is to keep the children interested in reading during the summer, as they can lose as much as 80% of their reading knowledge during the summer. I wish to thank the volunteers who helped with the reading program this past summer, Mrs. Dorothy Emerson, Mrs. Harriet Potter, Mrs. Alice McHarg, Mrs. Carmela Arietta, Mrs. Helen Carver, Anna Marie Tippitt, Donna Mayhew, Donna Arsenault, Linda Woodward, Patty Styles, Stephany Styles, Carolyn Platt, and any others that I might have forgotten. With out these volunteers there couldn't be a reading program.

During the year, 1975, we lost one of our Trustees, Mr. D. Chandler Matthews. He had been a trustee for over thirty years. We shall all miss him very much.

In June 1975, the White Mountain Regional Library Cooperative ended. We had a very eventful year with the Cooperative. Our Library purchased \$500.00 worth of books for our library, with the money given to us by the Cooperative. The books that were bought were reference books for both adults and the children. Adult and children's fiction books were also bought for our library.

The Bookmobile from the State Library has been to us twice with a large selection of books. The books are fiction and non-fiction. The staff on the Bookmobile are a great help in selecting books for our library. If there is a particular book or books that our library wants, the bookmobile staff gets it for us as soon as it is available.

I wish to than the trustees, Mrs. Helen Anderson, Mrs. Harriet McMann, and Mr. Fay Hawksley for their help and support. Thank you to Mrs. Helen Carver, assistant librarian, for all the help and support she has given to me in learning the library. Anna Marie Tippitt, Library Page, and the patrons for their understanding also. Everyone has made my job so enjoyable.

Respectfully submitted,  
SANDRA L. CROSS  
Librarian

## GROVETON YOUTH CENTER — 1975

The Groveton Youth Center experienced a busy season in all activities. As a new committee appointed in June, it took us a little time to get our feet on the ground but all activities were conducted as scheduled.

The swimming pool was the object of vandalism over the winter months and required extensive work prior to opening. Under the able direction of Miss Jana Hurlbutt and her staff, nearly 300 children participated in the swim class program. The pool was a very busy place all summer. The committee and staff appreciate the support of the parents in controlling discipline at the pool. We attempted to continue operations into September but the weather didn't cooperate. During the season, the bath houses were brightened up with new paint.

The playground activities were off to a fast start with Babe Ruth League baseball under the direction of Armand Pelletier. Tom Monahan, Fred Bailey and Bob Mills did a super job with the Little League Baseball team. The boys traveled to Lyndonville several times and came home with the CHAMPIONSHIP! The trophy is on display for all to see at Langley's Insurance Agency. In addition to baseball an active schedule of softball, basketball and other field games were played. These games covered all age groups including both boys and girls. It was good healthy activity and the children responded well. Field trips were taken to Old Orchard Beach and Montreal to see the Astros play. The basketball clinic with former Celtics stars Tom Sanders and Lou D'Allesandro was conducted. It must have helped as our team is undefeated so far this year.

The Arts and Crafts Center provided many interesting and varied activities under the direction of Irene Croteau and David Penney. Children of all ages participated. In addition to arts and crafts, bike trips were taken to various educational landmarks in the area. Also, a group enjoyed the Hartford Ballet at the Waumbek Summer Music Festival.

The annual Halloween Party was a great success with the costumes showing considerable thought and work by both children and parents. They seem to get better every year! A teenage dance was held later in the evening with AARON providing the music. Of course, cider and donuts donated by Jay Gould — Thanks!

Many nice comments were heard about the attractive new paint job on the Grandstand, dugouts and band stand at Centennial Field. This was a joint project between this committee and the Town.

The Recreation Committee continued to work on plans for improving the recreation facilities of the Town. The initial submission of plans was approved by the Selectmen but returned for some revision by the New Hampshire Department of Recreation Services. Recreation Specialist Jack Penny, came to Groveton to inspect our facilities and offer suggestions to improve the plan. A second submission of plans is anticipated soon after town meeting.

## WARRANT GROVETON VILLAGE PRECINCT

To the inhabitants of Groveton Village Precinct qualified to vote in Precinct affairs:

You are hereby notified to meet in Ryan Gym at the High School in said Precinct on Friday, March 26, 1976, at 7:00 p.m., for the transaction of the following business:

ARTICLE 1. To choose by ballot, a Moderator to preside over said meeting.

ARTICLE 2. To choose by ballot, a Precinct Clerk for the ensuing year.

ARTICLE 3. To choose by ballot, a Precinct Commissioner for a period of three years, and any other officers, agents and auditors for the ensuing year.

ARTICLE 4. To see what sum of money the Precinct will vote to raise and appropriate for the payment of Precinct Officers salaries, Firemen's salaries and Payroll, and such other incidental expenses as may arise within the Precinct. (Recommended \$15,630.00).

ARTICLE 5. To see what sum of money the Precinct will vote to raise and appropriate for the Cleaning of Streets and disposal of rubbish. (Recommended \$10,000.00)

ARTICLE 6. To see what sum of money the Precinct will vote to raise and appropriate for the purchase of new hose and equipment. (Recommended \$6,000.00).

ARTICLE 7. To see what sum of money the Precinct will vote to raise and appropriate to the Capital Reserve Fund, established for the purpose of purchasing a general type of new equipment, said money to be deposited with the Trustees of Trust Funds until needed for the new equipment.

ARTICLE 8. To see what sum of money the Precinct will vote to raise and appropriate to the Capital Reserve Fund, established for the purpose of purchasing a pumper fire truck, said money to be deposited with the Trustees of Trust Fund until needed for the new equipment.

ARTICLE 9. To transact any other business which may legally come before said meeting.

Given under our hands and in seal this 20th day of January A.D., 1976.

C. G. MATTHEWS

Precinct Commissioners

REPORT TO TOWNS

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildlife prevention program within his town or city.

**NOTE:** The 1975 Regular Session of the N. H. Legislature adopted the following change in the laws governing Trust Funds "The reports of the Trustees and of the auditor shall be printed in the Annual Report of the Town. The Trustees and Auditor shall not print in such report the reports of trusts created for the care of Cemeteries and burial lots, except that in the year in which the Town accepts gifts, legacies and devices for such purposes, the trustees and auditor shall print the names of the donors and the value of such gifts, legacies and devices at the time of donation."

The detailed reports, listing earnings, expenditures and balances of each cemetery account will continue to be available for inspection by anyone wishing to check the status of any individual account or accounts, by requesting to see them in Town Office.

## SCHOOL WARRANT

### State of New Hampshire

To the Inhabitants of the School District of Northumberland qualified to vote in district affairs:

You are hereby notified to meet in Groveton High School Gymnasium in said district on Saturday, March 13, 1976, at 2:00 o'clock in the afternoon to act upon the subjects hereinafter mentioned. The polls will be open at said place and date from 2:00 o'clock in the afternoon until 5:00 o'clock in the afternoon for the reception of your ballots under the non-partisan ballot system; furthermore you are hereby warned that on said date and place, at 2:30 o'clock in the afternoon the matters of appropriations and such other business properly coming before said meeting will be taken up for your consideration and action.

1. To choose by non-partisan ballot the following district officers for the ensuing year; a moderator, a district clerk, a district treasurer, two auditors, and two members of the school board for the ensuing three years.

2. To hear reports of agents, auditors, committees, or officers heretofore chosen and pass any vote relating thereto.

3. To see if the district will vote to accept the provisions of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

4. To see if the district will vote to accept the provisions of Title III, Public Law 89-10, (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

5. To see if the district will authorize the school board to make application for, to receive and to expend in the name of the district such funds and positions which may be made available under Title X of the Public Works and Economic Development Act of 1965. (P.L. 93-567, Title X).

6. To see if the district will authorize the school board to make application for, to receive and expend in the name of the district such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U.S. Government and/or State Agencies.

7. To see if the district will vote to authorize the school board on its behalf to enter into and bind the district to any requisite

agreements with the districts of Berlin, Gorham and the State Board of Education, so that the district will be enabled to participate in the Regional Vocational Educational Center Program conducted in the Berlin School District serving Region 2.

8. To see if the district will vote to authorize the school board to permit the voluntary recitation of the Lord's Prayer in the elementary schools of the district in accordance with Revised Statutes Annotated 194:15-a of the State of New Hampshire.

9. To see if the school district will vote to raise and appropriate the sum of \$2,000 to be used to pay for the cost of developing a plan for repairing, remodeling or building additions to our present school facilities.

10. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents and for the payments of the statutory obligations of the district.

11. To transact any other business that may lawfully come before said meeting.

Given under our hands at said Northumberland this 27th day of February, 1976.

STANLEY EMERY, Chairman  
SALLY RYAN  
GILBERT MAJOR  
JOHN SULLIVAN

**TOWN WARRANT**  
**TOWN OF NORTHUMBERLAND**  
**THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Northumberland qualified to vote in Town affairs:

You are hereby notified to meet at the Groveton High School Auditorium in said Town on the first Tuesday in March next, March 2, 1976, to act upon the subjects hereinafter mentioned. You are hereby warned that on said date and place the polls will be opened at 10:00 o'clock in the forenoon and will remain open until 6:00 o'clock in the afternoon for the reception of your ballots under the Non-Partisan Ballot System, (Articles 1 and 2). You are also hereby warned that on said date and place at 7:00 o'clock in the evening the matters of appropriations and such other business properly coming before said meeting will be taken up for your consideration and action.

\*ARTICLE 1. To choose by ballot one Auditor for the ensuing two years.

\*ARTICLE 2. To choose by ballot the following Town Officers for the ensuing three years: one Selectman, one Library Trustee and one Trustee of the Trust Funds.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen to close the account titled "SEWAGE ABATEMENT PROJECT" and transfer the balance of \$3,363.51 to the Sewer Account.

ARTICLE 4. To see what sums of money the Town will vote to raise and appropriate to defray the following Town charges for the ensuing year: (1) Town Officers' Salaries; (2) Town Officers' Expenses; (3) Election & Registration; (4) Municipal Court; (5) Town Hall & Other Buildings; (6) Retirement & Social Security; (7) Police Department; (8) Fire, incl. Forest Fire; (9) Blister Rust & Care of Trees; (10) Planning & Zoning; (11) Insurance; (12) Civil Preparedness; (13) Damage & Legal Expenses; (14) Health Department, Hospital, Mental Health & Ambulance; (15) Dump Maintenance; (16) Town Maintenance — Summer; (17) Town Maintenance — Winter; (18) Town Road Aid; (19) Street Lighting; (20) General Expense of Highway Department; (21) Street Maintenance; (22) Sidewalk Maintenance; (23) Public Library; (24) Old Age Assistance; (25) Aid to Permanently & Totally Disabled; (26) Town Poor; (27) Memorial Day & Veterans Assoc.; (28) Parks & Playgrounds; (29) Senior Citizen Programs; (30) North Country Council; (31) Housing Authority; (32) Cemeteries; (33) Advertising, Region Assoc., & Town Meeting House; (34) Interest on Sewer Bonds; (35) Sewer Bond Principal; (36) Capital Reserve Fund.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$1,000 for Bicentennial activities.

ARTICLE 6. To see if the Town will vote to authorize the Selectmen to grant Irving and Paulina Covell an easement crossing the town owned land between the old reservoir and the chlorinator building. (This would be in exchange for an easement from Mr. Covell to lay inter-connector lines between the new reservoir, Moore Brook pipeline and the main service line to town.)

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$6,000 to supplement the \$3,719.10 carried forward from 1968 and 1969 appropriations for developing new cemetery lands. (This would cover partial costs of layout, grading and construction of the new Cemetery.)

ARTICLE 8. To see if the Town will vote to appropriate an additional \$15,000 from the Revenue Sharing Trust Fund for the purpose of preparing a tax map for the Town of Northumberland. (\$10,000 appropriated in 1974, total contract cost \$25,000.)

ARTICLE 9. To see if the Town will vote to appropriate the sum of \$30,000 from Revenue Sharing Funds for the purpose of expansion to the Swimming Pool Service Building to create a year-round facility.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$5,000 to construct a new sidewalk on Preble Street and Arlington Street. (Inserted on petition of 14 voters.)

ARTICLE 11. To see if the Town will accept the roadway laid out in plan from Top Gas Station, Route 3, to Trailer Park entrance, and from intersection at Ronald Gilbert's residence, to and including Raymond LeClere's residence, and to grade at a cost of approximately \$6,000.00 a distance of approximately .25 miles. (Inserted on petition of 20 voters.)

ARTICLE 12. To see if the Town will vote to authorize the Cemetery Committee to promulgate and adopt regulations for the new cemetery governing the layout and construction of same, the design and type of monuments to be placed on lots therein, the price to be paid for lots therein, and a program for receiving funds for perpetual care.

ARTICLE 13. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

Appropriation	Amount
Police Department	\$ 5,000.00
Public Library	10,000.00
Parks & Playgrounds	10,000.00
	<hr/>
	\$25,000.00

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$12,500 as first-year cost of engaging the services of the Appraisal Division, N.H. Department of Revenue Administration for the purpose of revaluing all taxable properties in the Town of Northumberland. (The State estimates an additional \$12,500 would be required in 1977.)

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$3,500 for the purpose of compensation to such local citizens as the Selectmen may engage to assist them in revaluing all taxable properties in the Town of Northumberland.

ARTICLE 16. To see if the Town will vote to appropriate from the Capital Reserve Fund up to \$25,000 to provide matching funds for any Federal program that may be available for new construction or improvements in Water Supply, Sewage Disposal, Storm Water Separation, Solid Waste Disposal, Recreation, Cemeteries, or Streets & Sidewalks; and to acquire land, easements or rights of way for the above and any Engineering necessary to accomplish the project(s).

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$16,000 to purchase a small Dozer for the Public Works Department to use for snow removal, operating Dump or Landfill, or any other use the Town might require from it.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$500 toward the operation and maintenance of the Whitefield Regional Airport.

ARTICLE 19. To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the report for, design of, and construction of any sewage disposal or storm separation system and pass any vote relating thereto.

ARTICLE 20. To see if the Town will vote to authorize the Selectmen to spend up to \$25,000 in water user fees for necessary expenditures of operating and repairing the town water system and funds required to complete the new reservoir project.

ARTICLE 21. To see if the Town will vote to authorize the Selectmen to spend up to \$18,000 of sewer user fees for operation, maintenance and repair of the Town Sewer System.

ARTICLE 22. To see if the Town will vote to authorize the Selectmen to apply for, and accept aid, relative to disasters.

ARTICLE 23. To see if the Town will vote to establish a scale of discounts for the prepayment of real estate taxes. The scale of discounts to be as follows: 3% if paid on or before June 1, 1976; 2% if paid on or before August 1, 1976; and 1% if paid on or before October 1, 1976. Discount will be allowed on \$100 minimum payment.

ARTICLE 24. To see if the Town will vote to authorize the Selectmen to incur debts in anticipation of taxes of the financial year. Such debts are incurred in order to pay current maintenance and operation expenses, and to issue notes therefor in accordance with the provisions of RSA 33:7.

ARTICLE 25. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by Tax Collector's deeds.

ARTICLE 26. To see if the Town will vote to instruct the Selectmen to appoint all other Town Officers as required by law.

ARTICLE 27. To hear reports of agents, auditors, committees, or other officers heretofore chosen and pass any vote relating hereto.

ARTICLE 28. To transact any other business that may be legally brought before said meeting.

Given under our hands and seal the 9th day of February, 1976.

JAMES C. WEMYSS, JR.  
HAROLD E. MARSHALL  
NATALIE M. POTTER  
Selectmen of Northumberland

\* Articles 1 and 2 will be on printed ballots.

## SUPERINTENDENT'S REPORT

The school year 1975-76 began with a total enrollment of 768 students, 349 in grades K-6 and 419 in grades 7-12. The fall enrollment in 1974-75 was 764 and in 1973-74 it was 784. These figures indicate a fairly stable and consistent number although the kindergarten enrollments have been slightly higher during the past three years. To accommodate the elementary enrollment we are leasing two classrooms at St. Francis and five rooms at the Methodist Church. Although these arrangements are not ideal the programs are functioning very well. Other space problems at the elementary school are as follows: small library and resource room, need for a music and band lesson room, storage area for the cafeteria and the limited size of the playground.

We have continued to work toward our goal of meeting the special and individual needs of students through our Title I Language Arts and Math program, the remedial reading program, the work of the union special education staff and the speech therapist employed by North Country Education Services. Three students are attending the School for Exceptional Children in Berlin and one attends the Laconia State School.

Individual needs are also being met at the secondary level in the following areas:

- (1) Special Education Program — students are receiving special attention.
- (2) Thirty-two students spend one-half of the day at the AREA Vocational Program at Berlin High School.
  - Machine Shop — 9 students
  - Welding — 9 students
  - Auto Mechanics — 9 students
  - Printing — 3 students
  - Forestry — 2 students
- (3) Fourteen students will participate in the office occupations work experience programs.
- (4) Seven students are involved in the building trades worksite and thirteen others are in the preparatory program.
- (5) Approximately twelve students will also take part in some other career or worksite experience.

Adequate space is the number one priority for grades 7-12 and this lack of space is limiting present programs and the implementation or expansion of other programs. Junior High exploratory programs in industrial arts, home economics and science are very limited. The library and resource room area is also very inadequate and some departments are hampered by the limited classroom and storage space.

Curriculum evaluation and revision is an ongoing project at both the elementary and secondary level. Elementary committees are reviewing the areas of science, math and testing. Skill lists in language arts have been developed for grades K-12 and for mathematics in grades K-6. Career education and environmental education lessons are being implemented with the assistance of the Experimental Schools staff. The ESP directors report will be given in a separate section of the annual report.

During this school year activities and programs are being developed to encourage a meaningful observance of the Bicentennial Year. Books, records, films and other related materials were purchased and are being used to develop an appreciation of this historical event and to preserve and strengthen this heritage for future generations.

This has been a very brief overview of some of the activities and problems facing our education programs. To get a more complete picture, visit your schools, talk with the administrators and staff members and help us maintain and improve our schools.

I extend sincere thanks to the staff, students, and the citizens of Northumberland for your cooperation and support throughout the year.

Respectfully submitted,

ALAN E. RICH

Superintendent of Schools

## EXPERIMENTAL SCHOOL PROJECT

### Dr. Richard Peters, Director

Career/Vocational Coordinator	Paul Hawley
Language Arts Coordinator	Gordon Schnare
Environmental/Outdoor Education Coordinator	Ellen Sommers
Level I Evaluator	L. Timothy Fisher
Secretary/Bookkeeper	Mary Ann Boivin

### SUMMARY OF ESP ACTIVITIES — 1975

#### Adult Education

In the Spring of 1975 (April-June) the following courses were offered in Union 58 communities: cake decorating, ceramics, and conversational French.

In the Fall of 1975 (September-November) the following courses were offered in Union 58 communities: crocheting, candle making, sewing and macrame.

#### Career/Vocational Education

During the course of 1975, Kindergarten through grade six teachers and grades 7-12 teachers were involved in program development. By September 1975, with the implementation of the project's career awareness program in K-6, a total of 65 lessons had been developed locally. ESP had also purchased instructional materials which complemented this instructional program.

In September, teachers received copies of the **Career Education Teacher Resource Guide** (containing lessons and lists of materials and community resource people). Beginning in September, Paul Hawley met with teachers from grades 7-12 for purposes of developing career awareness lessons. By the end of 1975, a total of twelve (12) such lessons had been developed in the Health Occupations and Business/Office Occupations career clusters.

During the course of 1975, a total of 310 K-6 and 80 grades 7-12 students were involved in project sponsored field trips.

A total of 17 community resource guest speakers visited Union 58 classrooms in 1975. Several of these guest speakers appeared as invited guests of the component's career awareness seminar program.

A total of 28 students were placed at local work sites during the course of 1975.

Mini courses offered to students included: architectural drawing, surveying, introduction to the building trades, crocheting, fly-tying, small engine repair, and cake decorating.

#### Language Arts

During the course of 1975, a grades 1-12 communications skills list was developed by Gordon Schnare and Union 58 teachers. The skills list has been adopted as the basis of the Union 58 Language Arts program; thus providing the basis for a continuous, integrated, and sequential curriculum.

The Scott Foresman reading series has been adopted as the Union 58 basic reading program and is in-place in grades 1-6. Scott Foresman leveled materials have been purchased for the Stratford School as well.

Remedial reading classes have been offered to selected grades 7-8 students at both Groveton and Stratford high schools. During the course of 1975, over 24 students received remedial reading assistance from project staff members.

During 1975, a total of 242 Union 58 students contributed to the publication of **Kid's Corner**.

Beginning in the Fall of 1975, students began to contribute material to issues of a grades 7-12 literary journal.

#### **Environmental/Outdoor Education**

In the Spring of 1975, classroom teachers worked with Ellen Sommers — to develop several Kindergarten through grade eight environmental education lessons. In September, teachers received copies of the **Environmental Education Teacher Resource Guide** (containing lessons and lists of materials and community resource people). A K-6 instructional program was implemented in Union 58 classrooms with the start of the 1975-1976 school year. In the Fall of 1975, Ellen Sommers worked with Dick Merrill and Rick Jacques (Groveton High School) in revising the science department's earth science course—to include environmental education lessons.

During the course of 1975, a total of 254 K-6 and 20 grades 7-12 students were involved in project sponsored field trips.

A total of 8 community resource guest speakers visited Union 58 classrooms in 1975.

In both the Spring and Fall (1975), a total of 54 students (grades 7-12) were involved in weekend day trips and overnight camping trips.

#### **Level I Evaluation**

The development of a short term longitudinal study in career education — to determine the effects of ESP program activities on student awareness regarding several different occupations. A research study report will be made to the membership of the American Educational Research Association (AERA) in April 1976. Information gained from the testing has been used by teachers to write career lessons.

Statistical data regarding teacher involvement in project-related workshops, lesson and program implementation in classrooms, and use of project-related instructional materials.

Working with the project director and component coordinators—to develop project activities which compliment goals and objectives.

Respectfully submitted,

**RICHARD PETERS**

Director

Experimental Schools Project

## REPORT OF SCHOOL NURSE

January, 1975 to June, 1975

Physicals — 222 — includes the 4th grade, 7th grade, and 11th grade; sport physicals and pre-school.

Height-weights — 55; Vision — 128; Hearing — 126; First Aid — 50; Home Visits — 15; Orthopedic clinic — 3; Cardiac clinic — 7; Sight conservation referrals — 5; Pre-school registration — 40; Dental exams — 110; Dental clinic visits — 45.

Special programs — Pre-school vision and hearing screening was done again this year. The present Kindergarten participated. 75 children had their eyes tested with 8 failures reported. The hearing testing saw 99 screened with 14 referred. Those children who could be retested were, and proper referrals to doctors were made.

An immunization clinic was held May 13, with 281 children receiving immunizations (from grades K-12). A self-awareness program on womanhood was held for girls in grades 4 through 6. A Mother-Daughter Cancer program for high school seniors, in conjunction with the American Cancer Society, was held at the high school. At both schools a program of slymnastics was held with the assistance of the women's physical education teacher.

Communicable diseases — head lice 3; impetigo 3; ringworm 4.

I wish to thank Dr. Hinkley for his valuable assistance and great patience; Marcia Harmer, and Eleanor Kenney for their assistance with the immunization clinic, the school secretaries, Mrs. Mickey Rowden and Mrs. Edna Crawford for their valuable assistance and great first-aid, and the parents of Groveton for their wonderful children. I have thoroughly enjoyed my brief encounter with everyone here.

Respectfully Submitted,

KATHLEEN UPHAM, R.N.

School Nurse

## NORTH COUNTRY COUNCIL

Grant assistance in preparing an application for the town's water reservoir represents the local service the North Country Council provided to the town in 1975. The Economic Development Administration funded \$100,000 of the \$125,000 project. NCC participated in three (3) meetings with local officials on this project. NCC assisted the town in its pre-application for HUD community development funds.

On the regional level, the North Country Council prepared a public transportation plan and is working toward the implementation of its recommendations. The Council became the economic development district for northern New Hampshire on July, 1975, and is currently carrying out this function. Several region-wide meetings on Water Supply and Pollution Control Commission regulations, economic development, seminars for planning board members, and recycling of newsprint were sponsored. A recently completed report entitled "The Regulation of Mobile Homes in the Community," prepared by the Council, provides technical information to planning board members and local officials in the area of mobile homes.

In 1975, the Council increased its base of local support from 19 to 29 towns. The Council coordinates its activities with other agencies in order to avoid any possible duplication of effort.

"Planning News," the Council's bi-monthly newsletter, disseminates useful information on land use, state legislation, court decisions and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H. (Tel. 823-8108).

In performing its duties, the Council attends approximately 200 night meetings a year.

For the future, continued activity in community planning assistance will be emphasized along with major regional efforts in economic development, land use and housing. Dissemination of planning information will be continued. The Council is working closely with the N.H. Public Utilities Commission in the improvement and upgrading of the North Country's rail lines, especially the Lincoln line and the North Stratford to Beecher Falls line.

The Council sincerely appreciates and thanks the town for its support and participation. This support has enabled the Council to provide a good deal of local and regional services.

Respectfully submitted,

L. JAY AYLWARD

NATALIE M. POTTER

NCC Representatives

## COMMUNITY ACTION

### In Coos, Carroll and Grafton Counties, Inc.

**Purpose:** Community Action has greatly expanded its objectives and programs. It now serves a broad spectrum of the Tri-County community, continuing to provide significant social services and to sponsor various community-economic development programs. Community Action is largely governed by the principle that if you provide a person a fish a day, you provide for the day; if you teach him how to fish, you provide him for a lifetime.

#### Social Service Programs

**Meals on Wheels and Transportation for the Elderly:** With centers in Colebrook, North Stratford, Berlin, Littleton, Whitefield, Plymouth, Lebanon and Conway, Meals on Wheels provided over 1,610 meals per week and over 80,000 for the year to the elderly.

Transportation services are provided to the elderly including medical service vans with regularly scheduled trips to the medical centers of White River, Hanover and Portland.

**Headstart:** With nine classrooms in Berlin, Canaan, Conway, Lebanon, Littleton, Ossipee, Plymouth and Stratford, Headstart serves an average of 340 preschool youngsters and their families, providing comprehensive services.

**Family Planning:** A program providing medical, counseling and educational services to both individuals and the community at large.

**Operation Green Thumb:** A program designed to help people lower their food costs through gardening efforts served over 5,000 people in 1975.

**Operation Help:** A fuel loan program designed to enable people to meet rising fuel bills made 144 loans at approximately \$10,000.

**Winterization:** A new service begun in the winter of 1975, providing insulation, reduction of cold infiltration, combination windows, improvement of heating facilities through matching grants to eligible citizens.

**Manpower:** Working with Tri-County Council and County Commissioners, Community Action Manpower Programs continue to provide counseling, training, program development and other supportive services to the Tri-County Manpower training effort.

**Vista:** Nine community Vistas (residents of the Tri-County area) are sponsored by Community Action and are providing information referral and general community outreach.

**Elderly Employment:** The Elderly Employment Program is designed to augment the income and utilize the skills of over 60 elderly residents.

Health Screening: A medical program developed with the Public Health Service designed to detect glaucoma, high blood pressure, diabetes, oral cancer and other maladies in adults.

#### **Economic Development Programs**

As its major development, Community Action organized the Northern Community Investment Corporation which will provide up to \$5 million of stimulus for the initiation and expansion of businesses in the Tri-County area in the next three years. In addition, Community Action organized and supported the following:

The Waumbek Hotel Training Program, training and placing residents in entry and middle management hotel positions.

The White Mountain Center for the Arts, supporting nine local arts councils and providing full and part-time employment for approximately 175 people plus workshops and cultural events for 25,000 people at the Festival in Jefferson alone.

Tri-County Homes builds low-cost homes for individuals who are eligible under Farmers Home Administration and trains area residents in home construction skills.

N.H. Job Start is designed to provide small loans at minimal interest to under capitalized small businesses or individuals interested in initiating their own business.

Coos, Carroll and Grafton County Learning Centers, located in each of the three counties, provide educational opportunities for those who wish to further their educational aims through individual courses, general high school equivalency programs, Associate of Arts degree and Bachelor degree programs through the University of N.H. and University of Vermont educational systems.

GLEN R. EASTMAN  
MARY E. DEMERS

## **SUMMARY PROGRAM OF THE WHITE MOUNTAINS REGION ASSOCIATION 1975 (38th Year)**

On November 21, 1974, the directors of your White Mountains Region Association voted to change its fiscal year from Sept. 1 - Aug. 31 to July 1 - June 30 in order to conform to the State's fiscal year. Due to this change the summary will cover activities for a ten month period (Sept. 1, 1974 to June 30, 1975), instead of the usual twelve month period. Please note that under new guidelines, the State will help fund your Region Association by matching the amount of monies raised by the communities.

Your Association sponsored a very successful and meaningful marketing seminar for the vacation/recreation industry of northern New Hampshire. The two-day seminar addressed such topics as "What is Marketing," "Marketing Analysis," "Development of a Marketing Program," "Advertising Decisions," "Appearance of Establishment," "Brochure Design" and "Packaging Vacation Facilities."

The Region has a new magazine, **Outlook**, published by your Association. The magazine, which is distributed free to all WMRA members, selectmen, schools, libraries and businessmen in the region, is designed to serve as an in-house chamber of commerce type publication for northern New Hampshire.

Regarding transportation matters, your Association became a participating agency in the experimental air/land demonstration for the region. The project, funded by a grant from the N.E. Regional Commission and sponsored by the N.H. Office of Comprehensive Planning, includes daily round trip flights between the Whitefield Regional Airport and the Lebanon Airport, with connecting flights to Boston and New York. In addition, a bus/taxi system operates between Berlin and Whitefield. The Association entered into a \$10,000 contract with the N.H. Office of Comprehensive Planning in an effort to increase passenger useage through promotion and advertising of both air and ground systems.

In other activities, the Association continues to publish the N.H. **Accommodations and Dining Directory**, the **Where-to-Stay** folder, and the **White Mts. Map**, the **Fall Foliage Shunpike** folder, and the **Canoeing and Kayaking** folder, as well as publishing the weekly bulletin of lodging inquiries. It also distributes other state and local brochures in an effort to bolster the north country's economy.

Your Association's executive director again attended the Springfield Exposition in an effort to boost the four-season vacation travel trade in the region. While there, he spoke on Hartford (Conn.) radio about the region and what it has to offer. In addition, he also attended the Boston Sportsman's Show in an effort to attract visitors to our region.

The Region Association is participating in 4-H programs in Coos, Carroll and Grafton Counties under somewhat different guidelines. As a result of a meeting between the Association and the three 4-H agents, it was decided to divide up the approximately \$600 among the three counties, with each county to spend its proportionate share as it sees fit. The only requirement is that each county must give the Association an accounting of how those funds were spent.

In late May-early June, your executive director spent several days distributing bulk orders of WMRA promotional brochures to the numerous chamber of commerce information booths in the region as well as several State Highway rest areas. In addition, with the very able assistance of Mrs. Simonds, numerous bulk orders of brochures were sent to travel clubs, Automobile Associations, and Travel Agencies throughout the country and Canada.

With respect to the N.H. Council of Region Associations, of which your executive director is secretary, it was disclosed at a meeting during the year that the State, beginning in the second year of the biennium, will fund each Association on the basis of the "local share." Specifically, the amount of State funds received will be determined by the amount and number of communities which appropriate. Under this system, it would appear this region would gain financially, but only if the north country communities continue to support its Association.

Your executive director was privileged to participate on an ad hoc committee set up to design and publish a brochure, **Tourism/Recreation Equals Jobs and Taxes**. An informational brochure of this type, which spells out the significance of this industry to the region and to the State, has been sorely needed.

Other activities of your executive director and the Association during this ten-month period include: Appropriated funds to assist in the publication of a Christmas Tree **Vendor's List** in an effort to assist the 1.7 million dollar industry in the northern three counties, attended numerous executive committees and full board meetings of the White Mountains Center for Music and the Arts for which your executive director serves as secretary. (Parenthetically, the Association distributes Festival folders around the region and through the mails in answer to numerous written inquiries), attended several meetings with personnel from VTN, the organization which has undertaken the Franconia Notch environmental impact project for the State; attended numerous budget hearings, met with many selectmen in the region to better acquaint them with the activities of this Association, spoke

on radio regarding WMRA activities as well as to civic groups in the region, appropriated \$100 as a WMRA contribution to the restoration of Bedell Bridge and, in addition, \$25 to the White Mt. Museum of Forest History; set up a news conference for the White Mts. Center for Music and the Arts, attended a press conference at Storyland and at Cranmore (site of the Volvo Tennis Tournament), attended the Colebrook town meeting and spoke on behalf of the Association and its programs, participated in a **Career Night** at Gorham High School, assisted the State on a Fourth of July article of events in the region, participated in the seminars sponsored by the North Country Council regarding a long range bus transportation study for the region, and spoke at the annual meeting of the N.H. Industrial Agents Association in Conway. The Association answered 3,676 single inquiries, wrote 195 personal letters, sent 44 bulletins of lodging and real estate, sent 9,238 mimeographed letters and wrote 18 news releases and 1 news-letter.

# MARRIAGES REGISTERED IN THE TOWN OF NORTHUMBERLAND For The Year Ending December 31, 1975
